## CONTINUING THE TRADITION OF ST. ANDREW PARISH

The Saint Andrew Church Golf Tournament was established not only as a fundraising event for the historic parish of Saint Andrew Church, but as a way to build a greater sense of community within our parish and former alumni of Saint Andrew School.

All proceeds from this year's event will go toward the Saint Andrew/St. Jude Food Pantry. St. Andrew Parish, by the grace of God and the generosity of our donors, we are able to serve anyone in the neighborhood within our Second Harvest boundaries and all parishioners in need.

Together, with your support, the success of this year's golf tournament will help continue the strong history and tradition of Saint Andrew Parish.

*Thank you for your support!*
